Re *MUR 6005*

Dear Ms. Collins

Thank you for your letter dated May 27, 2008, extending the time by which respondents must reply to the above-mentioned complaint to June 6, 2008. As we discussed this morning on the phone, respondents respectfully request one additional week to respond to the complaint, so that their response would now be due on June 13, 2008. Combined with the earlier request, the total additional time respondents have asked for to respond to the complaint still amounts to much less than 30 days. Therefore, you stated that you believed this request could be granted. Thank you for your consideration of this request.

Sincerely,

Thomas A. Willis
